

# Am I Wrong

Skylar Stecker

Well, I talk too much to myself  
And I turn my back on my faith  
It's like glass when we break  
I wish no one in my placeAnd I've seen  
You don't need their scenes  
When the cut goes in deep  
And I'm lost in sleepI can't stay in this place  
I can't stand when the room  
Turns round on my fate  
You give no guarantees  
There's no promise I can keepI can't stand  
I can't see my way  
I feel blind on my feet  
I can't stay too long  
Am I wrong?Goodbye, lay the blame on love  
Goodbye, lay the blame on love  
Goodbye, lay the blame on loveGoodbye, lay the blame on love  
Goodbye, lay the blame on love  
Goodbye, lay the blame on loveI'm so tired of my mood  
And sleep comes with a knife  
Fork and a spoon  
You're so pale in your face  
You let life get in your wayAnd I've seen  
You don't need their scenes  
When the cut goes in deep  
And I'm lost in sleep  
Am I wrong?Goodbye, lay the blame on love  
Goodbye, lay the blame on love  
Goodbye, lay the blame on love  
Goodbye, lay the blame on love
