Mama

Neal E. Boyd

Mama, thank you for who I am
Thank you for all the things I'm not
Forgive me for the words unsaid
And for the times I forgotMama, remember all my life
You showed me love, you sacrificed
Think of those young and early days
How I've changed along the way
Along the wayAnd I know you believed
And I know you had dreams
And I'm sorry it took all this time to see
That I am where I am because of your truth
And I miss you, I miss youMama, forgive the times you cried
Forgive me for not making right
All of the storms I may have caused
And I've been wrong, dry your eyes
Dry your eyes'Cause I know you believed
And I know you had dreams
And I'm sorry it took all this time to see
That I am where I am because of your truth
And I miss you, I miss you, oh
[Incomprehensible]Mama, I hope this makes you smile
I hope you're happy with my life
At peace with every choice I've made
How I've changed along the way
Along the way'Cause I know you believed
In all of my dreams
And I owe it all to you, mama
