

# Weekend Wars (George Lenton Remix)

## MGMT

Evil S I yes to find a shore,  
A beach that doesn't quiver anymore,  
Where we can crush some plants to paint my walls,  
And I won't try to fight in the weekend wars  
Was I? I was too lazy to bathe  
Or paint or write or try to make a change  
Now I can shoot a gun to kill my lunch  
And I don't have to love or think too much  
Instant battle plans written on the sidewalk  
Mental mystics in a twisted metal car  
Tried to amplify the sound of light and love  
Christ is cursed of fathers and mothers  
Might even take a knife to split a hair  
Or even scare the children off my lawn  
Giving us time to make the makeshift bombs  
Every mess invested was a score  
We couldn't use computers anymore  
It's difficult to win unless you're bored,  
And you might have to plan for the weekend wars  
Try to break my heart I'll drive to Arizona  
It might take a hundred years to grow an arm  
I'll sit and listen to the sound of sand and cold  
Twisted diamond heart, I'm the weekend warrior  
My predictions are the only things I have  
I can amplify the sound and light and love
