

# My Love Won't Wait

## Two Gallants

You can try but there ain't no use  
I'll lose it if you cut me loose  
Darlin' please don't hesitate  
Can I get you now or must I wait  
I can feel my patience running thin  
I stare at the walls walk the floor  
But somehow end up at your door  
And you refuse to let me in  
But something ain't quite right with me  
I can't seem to let you be  
My love won't wait  
So I come by when you're most alone  
My coat pockets full of stone  
To hurl at your window while you sleep  
And you're gonna let me hang around  
Or I'm gonna tear your playhouse down  
Run to the river bridge and leap  
But something ain't quite right with me  
I can't seem to let you be  
My love won't wait  
But don't you fret and don't you fear  
While I whisper in your ear  
"There's no escape"  
You can try but there ain't no use  
I'll lose it if you cut me loose
