

# 1000 Oceans (studio)

## Tokio Hotel

Empty streets  
I follow every breath into the night  
The winds are cold  
The sun is frozen the world has lost its light  
I carry your picture deep in me  
Back to you of a 1000 seas  
Back to us Don't you lose your trust and your belief  
Just trust me [Chorus]  
We have to go a 1000 Oceans wide  
1000 dark years from time has died  
1000 stars are passing by  
We have to go a 1000 Oceans wide  
1000 times against an endless tide  
We'll be free to live our lives I know somewhere  
We'll find a little place for you and me  
It all turned out a different way  
Can't feel the pulse in our veins  
So we today Will let our heart be guided though the dark  
Just trust me [Chorus] There's nothing and no one we'll miss  
And one day we'll look back with no regrets 1000 Oceans wide  
1000 Endless years have died  
1000 Oceans wide  
1000 Stars are passing by  
Passing by  
Please don't drift away from me  
Please don't drift away from me [Chorus] Please don't drift away from me  
Please don't drift away from me  
1000 Oceans wide.
