Feel So Bad

Lightnin' Hopkins

I woke up this morning
'Bout the break of day
I looked over the pillow
Where she used to layYou know I feel so bad
Yes, I feel so bad
I feel so bad 'til I could
Regret that and cryI got a letter, come to me today
My baby didn't come home
It say that I'm to blameYou know I feel so bad
Yes, I feel so bad
I feel so bad 'til I could
Regret that and cryYou know I give her all my money
Then I give her my time
Mad, she done messed up with another man
And she won't pay me no mindYou know I feel so bad
Yes, I feel so bad
I feel so bad 'til I could
Regret that and cry
