

Ride Like That

Travis Porter

(feat. Jeremih)

[Hook]

No no don't act like that
I know I told you I'll be right
As long as you can bring that right back
I'll give it to you like
You know, ' on my back
You know Shawty I love back
Ahhh, let me show you how to ride like that

Feet white as cocaine, Shawty
Know she wanna, I can tell by her ..
And me and Shawty get a real good vibe
She dripping now down her thighs
All of this, you can look in my eyes, I can see the sky
It's just something I can't deny, I heal by the

'so whip and she ride it like a jet ski
Fly down to Atlanta, Shawty get the best of me

[Hook]

No no don't act like that
I know I told you I'll be right
As long as you can bring that right back
I'll give it to you like
You know, ' on my back
You know Shawty I love back
Ahhh, let me show you how to ride like that
Let's ride, like that
Let's ride, like that
Let's ride, ride, ride

All up in the club and she on me
Bottles in the club and they on me
She said that she body gon't have to show me
But give me a second so can you hold please?
Don't act like that, I'll be right, right back
Do you really like, like, like that?
Yeah, so I'll hit it from the back

â€ I love, love, love how you throw it back
â€ then she on top, can you ride like that, letâ€™s go

[Hook]

No no donâ€™t act like that
I know I told you Iâ€™ll be right
As long as you can bring that right back

Baby girl donâ€™t act like that
What you doing with a bad like that
Been on youâ€and I didnâ€™t know you can bring it down like that
As long as you do it, we do it, we did it
We can do it, every time when Iâ€™m in the city
Waist so skinny with a face so pretty
Girl itâ€™s your time, wanna taste your city like
Ah, ah, ah, she scream so loud when I hit it from the back
She fine as hell and donâ€™t know how to act
She said she never did it, never tried
She sitting â€telling up, motherfucking lies

[Hook]

No no donâ€™t act like that
I know I told you Iâ€™ll be right, right back
As long as you can bring that right back
Iâ€™ma give it to you like, like that
You know, â€ on my back
You know Shawty I love back
Ahhh, let me show you how to ride like that
Letâ€™s ride, like that
Letâ€™s ride, like that
Letâ€™s ride, ride, ride
