

# Caesar

## I Blame Coco

I want to annoy  
And I'm going to enjoy it  
And merely 'cause we're bored  
Merely because we're bored.'Cause all you do is hope  
You're all fucking hoppers  
And it's the Lord of the Flies all over again  
It's the Lord of the Flies all over again Now who holds the shell will be Caesar  
You can even have it written on your t-shirt  
Now who holds the shell will be Caesar  
You can even have it written on your t-shirt (Here we go) King of the hoppers will fall  
We're gonna knock down the walls  
Singin' the Caesar will fall  
We gonna knock down his doors I've heard it all before  
And I chose to ignore it  
There's someone at your door  
There's somebody at your door Prepare for the test  
We'll all get infested  
Now it's the Milgram device all over again  
It's the Milgram device all over again Now who holds the shell will be Caesar  
You can even have it written on your t-shirt  
Now who holds the shell will be Caesar  
You can even have it written on your t-shirt (Here we go) King of the hoppers will fall  
We're gonna knock down the walls  
Singin' the Caesar will fall (We gonna knock down his doors)  
We gonna knock down his doors Hey, Caesar  
Yo, Coco  
'Ello, geezer  
Hey, momma  
Can you fly?  
Yup  
I've heard robins can fly  
Whatever  
Huh? We're gonna knock down the walls King of the hoppers will fall  
We're gonna knock down the walls  
Singin' the Caesar will fall  
We're gonna knock down the walls, knock down the walls King of the hoppers will fall (We're gonna knock  
down the walls)  
Singin' the Caesar will fall (Knock down the walls) I'm going to enjoy it
