Stop

Corbin Bleu

Ha!
Oh-oh-oh-oh-oh-ohI'm chillin' with my guys,
We steppin' out tonight,
Hit a spot that's looking fly
You know we keep it tight,
Hop on my ride it's on
I got my bands and my shades on,
Hit the floor, I hear my song,
And then I see this girl,
And I'm like hold up wait,
i see the most beautifulest girl,
in the world,
turnin' heads all up in dis party,
she's dancing to the beat,
i nearly lost ma feet,
standing tryina keep the groove,
but what i really need to do is...CHORUS
Stop.
i know i oughta stop,
but i don't wanna stop,
you're makin' it hard for me...
Stop.
i know i oughta stop,(stop!)
but i don't wanna stop,
ur makin me loose the beat,
u got me girl...U know i must admit,
this girl she got me spent,
i neva loose ma groove,
but this girl, she's got moves,
not to mention her eyes,
they've got me mesmerized,
n i gotta make her mind
and keep her dancein' by..my..side,
HOLD Up wait,
i love the way she takes it to the floor,
im like wow!(wow!)
turnin heads all up in this party,
she's dancing to the beat,
still tryina catch my feet,

i gotta keep it smooth,
but what i rally need to do is...CHORUS X1she's doing it again,
makin me loose again, she knows what she's doing to mee,
she's wincking her eye,
i think right now is the time to make her mind.....(get em J)... yh u gotta play it smooth, knowing u n her i can tell u the right two, im lookin at her now n i can tell that she likes u, n u can make it work if u put on the right moves, so chance, go on n take those hands,_____, she wanna move n b closer to u, so go on over there n do what ever u do...CHORUS X2
Stop.(stop, i kno i oughta)
i know i oughta stop,(but i don't wanna,(stop!))
but i don't wanna stop,
ur makin it hard 4 meee...(the things u do to mee)
Stop.(so staaap!)
i know i oughta stop,(but i don wannaa)
but i don't wanna stop,
ur makin me loose the beat,
u got me girl...
(i kno i outa, but i don wanna stop)
(ma body's tellin me to stop)
(but ma heart is saying don't u stop!)
(ha! hey girl).
