

# Empathy

## Alanis Morissette

There are so many parts that I have hidden and denied and lost  
There are so many ways that I have cut off my nose to spite my face

There are so many colors that I still try to hide while I paint  
And there are so many tunes that I secretly sing as I wait

You come along and invite these parts out of hiding  
This invitation is one that I've stopped fighting?.

Thank you for seeing me  
I feel so less lonely  
Thank you for getting me  
I'm healed by your empathy  
Oh this intimacy

There were so many times: thought I'd die not being truly known  
There've been so many moments: forever lonely in my vocation

You come along and celebrate each feeling  
And there you are all honor and inquiring??

Thank you for seeing me  
I feel so less lonely  
Thank you for getting me  
I'm healed by your empathy  
Oh this intimacy

There was a day where the trust that was being asked of me  
Required too much you see  
To accept your generosity  
And to know myself enough to let you help me

Thank you for seeing me  
I feel so less lonely  
Thank you for getting me  
I'm healed by your empathy  
Oh this intimacy
