Lovin' You Against My Will

Gary Allan

I don't wanna hurt nobody
Don't wanna make nobody cry
I don't wanna do wrong
I don't wanna do wrong
I don't wanna tell no liesI'm lovin' you, lovin' you against my will
Lovin' you, lovin' you against my willI don't wanna hear the phone ring
Don't wanna hear your voice on the line
I don't wanna come to you
I don't wanna come to you
I don't wanna give in this timeGirl, I'm lovin' you, lovin' you against my willYour love is like a deep dark river
Pullin' me out to sea
The harder I try to resist you
The weaker I seem to beI don't wanna turn down your side street
I don't wanna pull in your drive
Don't wanna see you standin' there
Don't wanna see you standin' there
Don't wanna see that look in your eyesGirl, I'm lovin' you, lovin' you against my willYour love is like a deep dark river
Pullin' me out to sea
The harder I try to resist you
The weaker I seem to beI don't wanna feel your heartbeat
I don't wanna taste your kiss
I don't wanna call your name
I don't wanna call your name
I don't wanna want you like thisGirl, I'm lovin' you, lovin' you against my will
Lovin' you, lovin' you against my will
