

Train In Vain (Generic People Fix-Up)

The Clash

You say you stand by your man
Tell me something I don't understand
You said you love me and that's a fact
And then you left me, said you felt trapped Well some things you can explain away
But the heartache's in me till this day Did you stand by me
No, not at all
Did you stand by me
No way All the times
When we were close
I'll remember these things the most
I see all my dreams come tumbling down
I can't be happy without you around So all alone I keep the wolves at bay
And there is only one thing that I can say Did you stand by me
No, not at all
Did you stand by me
No way You must explain why this must be
Did you lie when you spoke to me Did you stand by me
No, not at all Now I got a job
But it don't pay
I need new clothes
I need somewhere to stay
But without all these things I can do
But without your love I won't make it through But you don't understand my point of view
I suppose there's nothing I can do Did you stand by me
No, not at all
Did you stand by me
No way Did you stand by me
No, not at all
Did you stand by me
No way You must explain why this must be
Did you lie when you spoke to me? Did you stand by me
Did you stand by me
No, not at all
Did you stand by me
No way
Did you stand by me
No, not at all
Did you stand by me

No way
