

# All for One

## Blackmore's Night

We'll drink together  
And if we drink we'll drink together, not alone  
We'll drink together  
And when we drink we'll drink together, not alone  
All for one and one for all We'll drink together  
And when we drink we'll drink together, not alone  
All for one and one for all  
We'll drink together  
And when we drink we'll drink together, not alone We'll sing together  
And when we sing we'll sing together, not alone  
We'll sing together  
And when we sing we'll sing together, not alone  
All for one and one for all We'll sing together  
And when we sing we'll sing together, not alone  
All for one and one for all  
We'll sing together  
And when we sing we'll sing together, not alone We'll fight together  
And when we fight we'll fight together, not alone  
We'll fight together  
And when we fight we'll fight together, not alone  
All for one and one for all We'll fight together  
And when we fight we'll fight together, not alone  
All for one and one for all  
We'll fight together  
And when we fight we'll fight together, not alone We'll fall together  
And if we fall we'll fall together, not alone  
We'll fall together  
And if we fall we'll fall together, not alone  
All for one and one for all We'll fall together  
And if we fall we'll fall together, not alone  
All for one and one for all  
We'll fall together  
And if we fall we'll fall together, not alone
