

# Gossip in the Grain

**Ray LaMontagne**

Such the lazy Jackstraw always late for tea  
Never bothers to ring lately  
Says the silly sparrow a gossip in the grain  
Have you heard the, oh you don't say  
Someday, someday snow shall fill the trees  
You best make warm eyes  
Callous is the old crow, he mock even the sun  
Eyes as black as blood, bone crack in the craw  
He'd say, he'd say always never mind  
Always never mind  
Truth be beggar that holds his tongue  
Dines on none, none but air alone
