

# Why'd You Leave Me On Christmas

B2k

See I bought you diamonds  
And a brother stop lying  
I bought you Donna  
Ralph Lauren and Prada  
I know it made you leave  
Got a brother beggin' please  
Got a brother on his knees  
I bought you a two way  
I even left Shantae'  
I won't cheat again  
I need you my friend  
All a brother want for Christmas  
Is to have you back right in my life  
Why'd you leave me?  
Why'd you leave me?  
On this Christmas  
Why'd you have to go?  
Why'd you leave me?  
Why'd you leave me?  
On this Christmas  
Why'd you have to go, go, go?  
Why'd you leave me?  
Why'd you leave me?  
On this Christmas  
Why'd you have to go?  
Why'd you leave me?  
Why'd you leave me?  
On this Christmas  
Why'd you have to go, go, go?  
See I'm beggin' now  
Do what I do for you  
See I'm so confused  
Got me stuck on you  
My mama say  
"Why do I deal with you?"  
Said I'm a crazy fool  
And stay away from you  
I dissed my family  
Just to get next to you

I bought you a cell phone  
Can't even talk to you  
All a brother want for Christmas  
Is to have you right back in my life  
Why'd you leave me?  
Why'd you leave me?  
On this Christmas  
Why'd you have to go?  
Why'd you leave me?

Why'd you leave me?  
On this Christmas  
Why'd you have to go, go, go?  
Why'd you leave me?  
Why'd you leave me?  
On this Christmas  
Why'd you have to go?  
Why'd you leave me?  
Why'd you leave me?  
On this Christmas

Why'd you have to go, go, go?  
I mean why, why'd you have to leave?

I put the gifts under the tree  
And dissed my family  
Baby why? Baby I had the mistletoe  
Under the doorway for you  
Why'd you have to go?  
Please come back

I don't know what to do  
If I had one wish for Christmas  
It'd be to have you back in my life

Why'd you leave me?  
Why'd you leave me?  
On this Christmas

Why'd you have to go?  
Why'd you leave me?  
Why'd you leave me?

On this Christmas  
Why'd you have to go, go, go?  
I had to get you the DKNY purse

Iced out wrist

Shoppin' sprees

I [Incomprehensible] everything for you

Why'd you leave me?  
Why'd you leave me?

On this Christmas  
Why'd you have to go?  
Why'd you leave me?  
Why'd you leave me?  
On this Christmas  
Why'd you have to go, go, go?  
Why'd you leave me?  
Why'd you leave me?  
On this Christmas  
Why'd you have to go, go?
