All the shawtys in the club (let me see you just)

Push it up, push it up (let me see you just)[Chorus]

Wobble baby, wobble baby, wobble baby, wobble (yeah)

Ey big girl make em' back it up, make em' back it up

Ey big girl make em' back it up, make em' back it up

Ey big girl make em' back it up, make em' back it up

Ey big girl make em' back it up, make em' back it up I got em' shakin' their boobies like congos,

Man I'm shaking the city like quakes.

The haters blowin' the face like gonzo,

Cause I'm baking a cake so lets bake.

I'm taking the game, the games mine.

Y'all witness a change it's my time.

Y'all new to the game but y'all might

Wanna save ya whack raps daylight saving time

I could dance homie, I dont 2-step,

Y'all looking at something like a true player.

A girl told me that a man that could dance

Might could possibly get down with the tool in his pants.

Now all my ladies let me see you vibrate.

And when its over you ain't gon need ya vibrator.

Cause I'm a pro make ya bend ya back low den just pound it real fast just like purkulator[Chorus]Girl wobble it,
and I'ma gobble it.

I see you movin' your head, your head bobblin'
We can cradle the bed I'm straight rockin' it
The girls say my head like the head of a rocket ship
God damn I'm so explicit, but I cant help it my flow ridiculous
Boy got a gift like it gotta be Christmas
Swag don't miss like he gotta be gifted
The girls brought cameras and they want pictures
And they gon' frame em to see dat nigga
Little to the bed while I'm sayin' my scriptures
Cause I leave ya holy like ya pray in the temple
Want beat? I move with the led of a pencil
And mine wont miss you, goodnight kiss you
Take a band back, cause you got pistols
And I don't think ? can run these issues[Chorus]Oh, oh, oh, oh
