Easy Street

Sister Sledge

(*) Easy Street
The sidewalk's cleaner
Easy Street
The grass is greener
Easy Street, Easy StreetI've spent some time on lonely street
Right 'crosstown that's where I used to be
When I fell by the wayside you see
I got wrapped up in me
And moved to only street
I was searching high and low
Looking for a place to go
I caught the bus of opportunity
Hopped into the front seat
And I got off on
(* repeat 2 times)
Poundin' down the meanest streets
And my stomach's wonderin'
Where am I gonna get my next meal
Been handed quite a deal
My cycle's incomplete
I had corns on my feet
From the hours I walked the beat
I'd like to drop it from my memory
I found a way in me to wake the dead end(* repeat 5 times and fade)
