

Katie (feat. Colm Keegan)

Celtic Thunder

Tumbling curls of green by the stainedglass streaming light
And a yellow coloured lampshade used to keep us up all night
The smile upon your face, the tears upon your cheek
And the night sky on the window
Your heart calling out to me.Come running home again, Katie
Come running home again
Cross my heart and hope to die
Shall I cause another tear from your eyeThe mirror that won't talk and your nightgown on the door
And the old pedal Singer just don't sing no more
You can roll the reels for hours
From the movie of this book
It's a question mark on this heart of mine
Sends an elder back to look.Come running home again, Katie
Come running home again
Cross my heart and hope to die
Shall I cause another tear from your eye
