

Somewhere (feat. Anneke Van Giersbergen)

Within Temptation

Lost in the darkness, hoping for a sign
Instead there is only silence can't you hear my screams?
Never stop hoping, need to know where you are
But one thing is for sure you're always in my heart I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul Lost in the darkness, try to find your way home
I want to embrace you and never let you go
Almost hope you're in heaven so no one can hurt your soul
Living in agony 'cause I just do not know where you are I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul Wherever you are, I won't stop searching
Whatever it takes, I need to know I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul
