

# Rebellion of One

## Diablo

Hey i try to let go but i know that they will remind me  
Of the past and all the things i've done i cannot believe this  
How could i be so blind blood is thicker than water but  
Now this shit has gone too far(they've tried to change me break me  
Force me to be something i'm not  
I don't waste my time to blame them  
I just keep on going with my rebellion of one)Deep down inside me it's screaming endlessly  
Rage keeps me alive rage won't ever die  
To see things the way i do just walk a mile in my shoes(they've tried to change me break me  
Force me to be something i'm not  
I don't waste my time to blame them  
I just keep on going with my rebellion of one)Cos i know what it fells like  
When someone tries to steal the air i breathe  
Blowin' out my flame scorn and disbelief partnership for my needs  
I'm going nowhere fast and now there is no turning back(they've tried to change me break me  
Force me to be something i'm not  
I don't waste my time to blame them  
I just keep on going with my rebellion of one)
