

Runaway (Acoustic Version)

Crywolf

(Crywolf)

Wasting all my time on your smile
Watching all the days pass by
Run away, run away from here Never knew my lies were so tall
'Till you knocked me out of my mind
Come away, come away my dear- So baby come down
To your door tonight
Blood is pumping with desire
Baby come down
I see it in your eyes
You wanna set it all on fire Is this gonna be the love that makes it better?
Are you gonna be the one I hold forever? - Wasting all my time on your smile
Watching all the days pass by
Run away, run away from here Never knew my lies were so tall
'Till you knocked me out of my mind
Come away, come away my dear- So baby come down
To your door tonight
Blood is pumping with desire
Baby come down
I see it in your eyes
You wanna set it all on fire Is this gonna be the love that makes it better?
Are you gonna be the one I hold forever?
