The Son

1000mods

People are telling me how
Blank is the world
Freedom is giving me now
The soul that i sold
I am a son of a gun
I'm shooting my life
You're gonna see the one
The one you don't likeHeaven rejects me
And throws me back
I am fogotten
I live in the dark
I'm smoking woods
And I'm sniffin' the clouds
I am the name
That nobody shouts
The skin of my mother
Is under my veins
I feel so empty
I got no remains
The voice of my father
Is so long and gone
I am the son of a loaded gunHappiness is full lies
I'm killing my dreams
I'm speaking and everything dies
I wake up in screams
Emptiness sparks in the light
Watching you fade
"Please don't give up the fight Follow your fate"Heaven rejects me
And throws me back
I am fogotten
I live in the dark
I'm smoking woods
And I'm sniffin' the clouds
I am the name
That nobody shouts
The skin of my mother
Is under my veins
I feel so empty
I got no remains

The voice of my father
Is so long and gone
I am the son
I am a gun
