Messing With My Head

Tinted Windows

I got love
If you want it
Say the word
And I'm on it
I don't know
What you need
I don't know
What you want me to beI got time
I'm so patient
I'd just like
Some information
You don't show
What you feel
I don't know
If it's even real nowOh come on come on
Well you've been messing with my head
For oh so long now
Oh come on come on
Well you've been messing with my head
And it's oh so wrong now
I can't take it no more
Oh no I
Can't take it no moreI sit back
Still waiting
It's so hard
So frustrating
You run hot
And then you're cold
I can't stop
It's too hard to let goBut you love
To keep me guessing
I can't help
Obsessing
You come near
And then you're gone
It's unclear
Should I keep hanging on nowOh come on come on
Well you've been messing with my head
For oh so long now

Oh come on come on
Well you've been messing with my head
And it's oh so wrong now
I can't take it no more
Oh no I
Can't take it no more
I can't take it no more
Oh no I
Can't take it no more
Oh!I try to tell you what I'm feeling
You just keep on staring at the ceiling
I try to figure out what you're after
But it's always such a disasterOh come on come on
Well you've been messing with my head
For oh so long now
Oh come on come on
Well you've been messing with my head
And it's oh so wrong now
I can't take it no
I can't take it no
I can't take it no
I can't take it no
I can't take it no
I can't take it no
I can't take it no more
