Hands Open

Snow Patrol

It's hard to argue when
You won't stop making sense
But my tongue still misbehaves
And it keeps digging my own grave
With my hands open and my eyes open
I just keep hoping
That your heart opens
Why would I sabotage
The best thing that I have?
Well, it makes it easier to know
Exactly what I want
With my hands open and my eyes open
I just keep hoping
That your heart opens
It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy
It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy
Put Sufjan Stevens on
And we'll play your favorite song
'Chicago' bursts to life
And your sweet smile remembers you
My hands open and my eyes open
I just keep hoping
That your heart opens
It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy
It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy
It's not as easy as willing it all to be right
Gotta be more than hoping it's right

I wanna hear you laugh like you really mean it
Collapse into me, tired with joy
It's not as easy as willing it all to be right
Gotta be more than hoping it's right
I wanna hear you laugh like you really mean it
Collapse into me, tired with joy
