

H. P. Lovecraft

Been given 24 hours to tie up loose ends to make amends  
 His eyes said it all, I started to fall  
 And the silence deafened head spinning round, no time to sit down  
 Just wanted to run and run and run  
 Be careful, they say don't wish life away, now I've one day  
 And I can't believe, how I've been wasting my time  
 In 24 hours, they'll be laying flowers on my life  
 It's over tonight, I'm not messing, no, I need your blessing  
 And your promise to live free, please do it for me  
 Is there a heaven, a hell and will I come back who can tell  
 Now I can see what matters to me  
 It's as clear as crystal, the places I've been, the people I've seen  
 Plans that I made start to fade  
 The sun's setting gold, thought I would grow old, it wasn't to be  
 And I can't believe, how I've been wasting my time  
 In 18 hours, they'll be laying flowers on my life  
  
 It's over tonight, I'm not messing, no, I need your blessing  
 And your promise to live free, please do it for me  
 In 13 hours, they'll be laying flowers on my life  
 It's over tonight, I'm not messing, no, I need your blessing  
 And your promise to live free, please do it for me  
 I'm not alone, I sense it, I sense it  
 All that I said, I meant it, I meant it  
 And I can't believe, how much I've wasted my time  
 In just 8 hours, they'll be laying flowers on my life  
 It's over tonight, I'm not messing, no, I need your blessing  
 And your promise to live free, please do it for me  
 In just 1 hour, they'll be laying flowers on my life  
 It's over tonight, I'm not messing, no, I need your blessing  
 And your promise to live free, please do it for me
