

# It Is You (I Have Loved)

[Dana Glover](#)

There is something that I see  
In the way you look at me  
There's a smile  
There's a truth in your eyes What an unexpected way  
On this unexpected day  
Could it mean this is where I belong  
It is you I have loved all along There's no more mystery  
It is finally clear to me  
You're the home  
My heart searched for so long  
And it is you I have loved all along There were times I ran to hide  
Afraid to show the other side  
Alone in the night without you But now I know just who you are  
And I know you hold my heart  
Finally this is where I belong  
It is you I have loved all along There's no more mystery  
It is finally clear to me  
You're the home  
My heart searched for so long  
And it is you I have loved all along Over and over, I'm filled with emotion  
Your love, it rushes through my veins  
And I am filled with the sweetest devotion  
As I, I look into your perfect face There's no more mystery  
It is finally clear to me  
You're the home  
My heart searched for so long  
And it is you I have loved It is you I have loved  
It is you I have loved all along
