

It Is You (I Have Loved)

[Dana Glover](#)

There is something that I see
In the way you look at me
There's a smile
There's a truth in your eyes What an unexpected way
On this unexpected day
Could it mean this is where I belong
It is you I have loved all along There's no more mystery
It is finally clear to me
You're the home
My heart searched for so long
And it is you I have loved all along There were times I ran to hide
Afraid to show the other side
Alone in the night without you But now I know just who you are
And I know you hold my heart
Finally this is where I belong
It is you I have loved all along There's no more mystery
It is finally clear to me
You're the home
My heart searched for so long
And it is you I have loved all along Over and over, I'm filled with emotion
Your love, it rushes through my veins
And I am filled with the sweetest devotion
As I, I look into your perfect face There's no more mystery
It is finally clear to me
You're the home
My heart searched for so long
And it is you I have loved It is you I have loved
It is you I have loved all along
