

Overdose (feat. Chris Brown)

AGNEZ MO

[Intro: Chris Brown & AGNEZ MO]

Oh woah, ooh

Oh, oh, eh[Verse 1: Chris Brown, AGNEZ MO & Both]

You know why I'm going crazy?

Because of you, only you, I

Hypnotized, you got me mesmerized with the thought of you

I'm in awe of you, oh

She's my medication for my heartbreak

Oh, I need her

She rehabilitates me

But I'm still addicted, yeah, to her[Pre-Chorus: Chris Brown & Both]

Living life blind but my top down, my roof missing

This kind of love only comes around in a lifetime, I can't miss it

This ain't no typical, ordinary scenario

I can't control (you know)

[Chorus: AGNEZ MO, Chris Brown & Both]

When opposites attract, I overdose, yeah, ah (ooh)

I took too much of your love, I overdose, yeah, ah

Girl, your sex is a drug, faded floating

Feeling like, ooh (hey)

Ooh woah, ooh I-I-I-I, I over-I overdose

Ooh-oh-oh I overdose

Every time I do you baby girl, I overdose

I overdose[Verse 2: Chris Brown, AGNEZ MO & Both]

You know why I'm going crazy

Because of you only you, I

Hypnotized, you got me mesmerized with the thought of you

I'm in awe of you

He's my medication for my heartbreak

Oh, I need her

She rehabilitates me

But i'm still addicted, yeah, to her

[Pre-Chorus: Chris Brown & Both]

Living life blind but my top down, my roof missing

This kind of love only comes around in a lifetime, I can't miss it

This ain't no typical, ordinary scenario

I can't control, you know[Chorus: AGNEZ MO, Chris Brown & Both]

When opposites attract, I overdose, yeah, ah, yeah, yeah, yeah

I took too much of your love, I overdose, took too much of your love, I overdose, ah

Girl, your sex is a drug, faded floating
Feeling like, ooh
Ooh woah, ooh I-I-I-I, I over-I overdose
Ooh-oh-oh I overdose, I overdose
Every time I do you, baby girl, I overdose
I overdose[Outro: AGNEZ MO]
(I just wanna make you feel good)
I'ma be your painkiller
(Oh, I just wanna make you feel good)
Lemme be your painkiller
(Hahahaha, that's what I'm gonna do)
