Bitch Betta Have My Money

AMG

Bitch betta have my money.Ahhhhhhhhhhh shit
Here we go on the one y'all with nothin' to clown.[AMG:]
It ain't nothin' like black pussy on my dick
Word to the motherfuckin' DJ Quik
I play hoes like dominoes, slappin' bones
AMG's on the motherfuckin' microphone
I slang dick bitch, nothin' more and nothin' less
You got a C-note hoe, you can take the test
And bring big fat titties and lots of back
You got the woody and I got the axe
I'm no joke when I stroke for a client
Bitches need dick, so they buyin' it
G with the high top fade
Open up your Coach bag, bitch, so I can get paid
And take off your G-string drawers
Bitch eat your Wheaties 'cause I don't pause.
What are you laughin' at? Ain't a damn thing funny.
(Bitch betta have my money)
I don't charge by the inch, I charge by the foot.
Think I'm lyin'? Bitch here take a look
A hundred percent U.S.D.A. Grade A beef; here's my card, call me
You looked like you ain't been pumped in a while
Pick up the motherfuckin' phone and dial
And have your money in a big ass stack
I'm slingin' this dick like a new jack (bitch) so.Chorus:
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.[AMG:]
Choose the position pronto; you're on the clock
You can suck the diggity-dick, but I'ma charge you a knot
Bend your ass on over and touch your toes
Hold your breath 'cause I'ma hold my nose
This dick of mine ain't friendly baby.
Will it hurt you? Yeah maybe

Probably because I'm 19 years old
I fuck hot pussy until it's cold
I ain't a prostitute, but I'll knock the boots
Women love me, and say I'm so cute
Girls wanna get with me, I'm tender
A big old butt and a smile and her rear up
Pussy ain't nothin' but a game to me
Pockets so fat 'cause I'm paid to freak
So when a hoe want to fuck to the flow of a teenage pimp
I wanna see that rim soChorus:
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.[AMG:]
Motherfuckers out there can't fade me
And bitches out there don't phase me
I take it blow for blow; a hoe is a hoe
A bitch is a bitch is a (bitch) so
Fuck all the rigmarole,
I clock the dough while I slang the flow
G's gonna do it to you slow
While you sing along hoe.Bitch betta have my money.Chorus:
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
(Bitch) Bitch betta have my money.
