Days Go By

Dirty Vegas

You
You
You
You
You
You
You
You
You
You
You
Still a whisper on my lips
A feeling at my fingertips
That's pulling at my skin
You
Leave me when I'm at my worst
Feeling as if I've been cursed
Bitter cold within
Days go by
And still I think of you
Days when I couldn't live my life without you
Days go by
And still I think of you
Days when I couldn't live my life without you
Without you
Without you
You
Still a whisper on my lips
Feeling at my fingertips
That's pulling at my skin
You
Leave me when I'm at my worst
Feeling as if I've been cursed
Bitter cold within
Days go by
And still I think of you
Days when I couldn't live my life without you
Without you
Without you

Days go by
And still I think of you
Days when I couldn't live my life without you
Days go by
And still I think of you
Days when I couldn't live my life without you
Without you
Without you
Without you
Without you
Days go by
Days go by
Days go by
Days go by
Days go by
Days go by
