Lumen Lake

Setec

Oooooh oooh oh oh ooh ooo
Aaaa aaaaa
Oooh oh oh ooh oooo

It's cruel to be kind
So why wait and see?
Oh I'll bite my tounge
Before I stumble into blind hospis with you
And I found your note
Left by a laneway
I carried it for years
I buried it beneath my bed

Oooooh oooh oh oh ooh ooo

Tough I didn't mind
But I'll wait and see
I'll gather my time
Before I mumble into kind hospis with you
And I found the rock
Set by the railway
I carried it for years
Embellished in my parking line

And nothing stirs
And nothing stays
Cause everything stays the same

Leave my...
Lumen Lake

And nothing stirs
And nothing stays
Cause everything stays the same

Leave my...
Lumen Lake

And fourty years

But not on escape but I just fell away

Leave my...
Lumen Lake

It's cruel to be kind
So why wait and see?
Oh, I'll bite my tounge
Before I stumble into blind hospis with you
And I found your note
Left by a laneway
I carried it for years
I buried it beneath my bed
