

Make It Last (feat. Jewel)

Tyrese

Jewel:

Theres not a day I dont wake up
Thinking about the one I love
Now that youre here I dont know what
Im almost afraid to even
Touch you cause my heart is beating
So fast I can barely breathe
If this is real then why am I dreaming, now(I know)
I know, that we can just hold on (I know)
I know that we can just stay strong (I know)
I know, I know that we can make it last
Yeah Yeah YeahAnd I know (yeah babe)
I know if we keep this thing together babe (forever babe)
We can so make this moment go forever
If we just hold on

I know that we can make it last

Yeah Yeah YeahTyrese:

Theres not a night I dont think 'bout
They way I feel when you're around
And I cant believe it's going down
God knows my head is spinning
Round and round and in and out
My soul is lifting off the ground
If this is real then why am I dreaming, now(I know)
I know, that we can just hold on (I know)
I know that we can just stay strong (I know)
I know, I know that we can make it last
Yeah Yeah YeahAnd I know (yeah babe)
I know if we keep this thing together babe (forever babe)
We can so make this moment go forever
If we just hold on

I know that we can make it last

Yeah Yeah YeahTyrese: Let's freeze this moment, let's start time
(We can make this)

Jewel: Forever yours, forever mine

Both: And I know that we can make it last (yeah)(I know)
I know, that we can just hold on (I know)
I know that we can just stay strong (I know)
(We can just hold on baby)

I know, I know that we can make it last
(We can make it last)
Yeah Yeah Yeah
(All we gotta do is stay here)(Yeah babe)
I know if we keep this thing together babe (forever baby)
We can so make this moment last forever baby
If we just hold on
I know that we can make it last
Yeah Yeah Yeah (Woah)(I know)
I know, that we can just hold on (I know)
I know that we can just stay strong (I know)
I know, I know that we can make it last
Yeah Yeah Yeah (Woah)(Yeah babe)
I know if we keep this thing together babe (forever babe)
We can so make this moment last forever
If we just hold on
I know that we can make it last
Yeah Yeah Yeah Make it last
Oh oh yeah
Make it last, last
Make it last
