

I'm So Lonesome I Could Cry

John Waite

Hear the lonesome whippoorwill
He sounds too blue to fly
The midnight train is whining low
I'm so lonesome, I could cry I've never seen a night so long
When time goes crawling by
The moon just went behind a cloud
To hide its face and cry Did you ever see a robin weep
When leaves begin to die?
That means he's lost his will to live
And I'm so lonesome, I could cry The silence of a falling star
Lights up a purple sky
As I wonder where all of you could be tonight
I'm so lonesome I could cry
