

# City Of Angels

## J-Trick

There was truth.

There was consequence against you -

A weak defense, then there's me;

I'm seventeen and looking for a fight.All my life

I was never there;

Just a ghost

Running scared.

Here, our dreams aren't made - they're won.Lost in the City of Angels;

Down in the comfort of strangers, I...

Found myself in the fire burned hills,

In the land of a billion lights.Bought my fate

Straight from hell.

Second sight

Has paid off well for a mother, a brother and me.The silver of a lake at night;

The hills of Hollywood on fire;

A boulevard of hope and dreams;

Streets made of desire.Lost in the City of Angels;

Down in the comfort of strangers, I...

Found myself in the fire burned hills,

In the land of a billion lights.I found myself in the fire burned hills,

In the land of a billion lights.

(Of a billion lights, of a billion lights, of a billion lights...)AngelsAngelsI am home!

Home!

Home!

Home!Lost in the City of Angels;

Down in the comfort of strangers, I...

Found myself in the fire burned hills,

In the land of a billion lights.One life, one love - Live!

One life, one love - Live!

One life, one love - Live!

One life, one love -
