

Where Do We Go From Here

Chris Brown

Let's,
Mr. Worldwide
Take over,
M.K (M.K)
Yah.
Jim Johnson,
Globe,
Let's take over the globe.
Where do we go from here?
Where, tell me please?
Where do we go from here?
I want the world to tell me please
Where do we go from here?
Somebody please let me know.
Where do we go from here?
I want the whole world to show
Where do we go?
Where do we go?

Where do we go?
And I don't wanna do it alone
I want the world to dance

How you gonna tell me the sky's the limit
When there's footprints on the moon?
I don't need a TV show to dance with the stars
Not me, I'm good
Half of the world don't like me
Half of the world wanna be me
But believe it or not,
That pretty little thing they call Earth needs me
needs me.
I'm here to show the world
How to make something from nothing,
Yeah, fo' sure
I'm here to show the world how it is to do good business,
How blue would I blow?
