

...and Justice for All

Metallica

Halls of justice, painted green
Money talking
Power wolves beset your door
Hear them stalking Soon you'll please their appetite
They devour
Hammer of justice crushes you
Overpower The ultimate in vanity
Exploiting their supremacy
I can't believe the things you say
I can't believe, I can't believe the price you pay Nothing can save you
Justice is lost
Justice is raped
Justice is gone Pulling your strings
Justice is done Seeking no truth
Winning is all
Find it so grim
So true, so real Apathy their stepping stone
So unfeeling
Hidden deep animosity
So deceiving Through your eyes their light burns
Hoping to find
Inquisition sinking you
With prying minds The ultimate in vanity
Exploiting their supremacy
I can't believe the things you say
I can't believe, I can't believe the price you pay Nothing can save you
Justice is lost
Justice is raped
Justice is gone Pulling your strings
Justice is done Seeking no truth
Winning is all
Find it so grim
So true, so real Lady justice has been raped
Truth assassin
Rolls of red tape seal your lips
Now you're done in Their money tips her scales again
Make your deal
Just what is truth? I cannot tell
Cannot feel The ultimate in vanity

Exploiting their supremacy
I can't believe the things you say
I can't believe, I can't believe the price we payNothing can save us
Justice is lost
Justice is raped
Justice is gonePulling your strings
Justice is doneSeeking no truth
Winning is all
Find it so grim
So true, so realSeeking no truth
Winning is all
Find it so grim
So true, so real
