

# He Never Said a Word

## The Roberta Martin Singers

In times its hard Thereâ€™s still Jesus  
Not a word came from his lips  
He was accused Not a word  
Even condemned still Not a word  
When Itâ€™s my time to die Oh I want to die  
like Jesus did

I want to be  
Yes just like Jesus  
And I want to live everyday  
just like he did  
I want to pray more like him  
Every day I want to be more like him  
When its my time to die Oh let me die  
just like Jesus did

Oh he never He never said a mumbling word  
He never He never said a mumbling word  
He never He never said a mumbling word  
They tell me his voice His voice they never heard  
Oh Itâ€™s finished Itâ€™s finished  
Jesus Jesus paid it all  
Just to sit down Just to sit down  
By his father By his fatherâ€™s throne  
And he never He never  
No he never He never  
Never said a word He never said a word
