

Fates Warning (1998 Remastered Version)

Iron Maiden

Why is it some of us are destined to stay alive
And some of us are here just so that we'll die
How come the bullet hits the other guy
Do we have to try and reason why[Chorus]
Be it the devil or be it him
You can count on just one thing
When the time is up you'll know
Not just one power runs the show Are we the lucky ones saved for another day
Or they the lucky ones who are taken away
Is it a hand on your shoulder from the lord above
Or the devil himself come to give you a shove[Chorus]
