Feel The Rain

Na-Vee

Feel the rain falling down on me
I call your name, I miss you, can't you see
I'll take the blame, we should never be apart
Tell me what can I do to get you back into my heartTo make a mistake is only human
And now I've learned my lesson, that's for sure
'Cause I never thought that you would say goodbye
And love would walk out the doorWhy die I look in a different direction
When you were right here with me all the time
When your heart was crying out for affection
I guess that I was blind, now baby IFeel the rain falling down on me
I call your name, I miss you, can't you see
I'll take the blame, we should never be apart
Tell me what can I do to get you back into my heartYour shadow of love is still beside me
When I close my eyes your face is all I see
But I don't intend to spend my whole life dreaming
I need you right here with meI was so wrong taking your love for granted
I couldn't see how I hurt you inside
Now I know you're all that I ever wanted
Can't get you off my mind, and that's why IFeel the rain falling down on me
I call your name, I miss you, can't you see
I'll take the blame, we should never be apart
Tell me what can I do to get you back into my heart(Back into my heart)
Feel the rain
(Back into my heart)
Oh oh ohWhy did I look in a different direction
When you were right here with me all the time
When your heart was crying out for affection
I guess that I was blind, now baby IFeel the rain falling down on me
I call your name, I miss you, can't you see
I'll take the blame, we should never be apart
Tell me what can I do to get you back into my heartFeel the rain falling down on me
I call your name, I miss you, can't you see
(I call your name)
I'll take the blame, we should never be apart
(Oh oh oh)(Tell me what can I do to get you)
I want you back with me
(Tell me what can I do to get you)
I need you, can't you see
Tell me what can I do to get you back into my heart
