

# Spirits

Jamie Woon

While we have oceans  
Rivers that still bring us life  
Reasons to live in the moment  
Hold onto your timeLet your heart go where the wind takes it  
Pure like the raindrops of time  
Follow the path where it takes you  
Straight down the lineLadies and Gentlemen  
Surely we're here in mind  
Watching our spirits dance on the  
On the backs of our livesHow can one sit back and dream it  
I'd have no peace in my life  
Climbing these walls in an hourglass  
Prized in our strifeAnd I have seen worlds filled with wonder  
Lost on my own lonely mile  
Lessons I wish I had mirrored  
Time after timeLadies and Gentlemen  
Surely we're here in mind  
Watching our spirits dance on the  
On the backs of our livesWhile we have oceans  
Rivers that still bring us life  
Reasons to dance in the moment  
Hold onto your timeCome fill up your souls with our blessings  
Hold up your hands to the sky  
Let the whole world know you're out there  
High in our highsLadies and Gentlemen  
Surely we're here in mind  
Watching our spirits dance on the  
On the backs of our l
