

I Took Three Bennies & My Semi Truck Won't Start

Commander Cody

Tell me ah ah ah
How many truck drivers we got in the house tonight, anyway
How many drunken truck drivers we got in the house

Well that warms the old commander's heart
I can, I can smell it from here
This' called I took three bennies and my semi truck won't start
Well a here I sit
all alone with a broken heart
I took three bennies
And my semi truck won't start

Well I hauled my rig
Outta San Jose
I gotta be in Cincinatti Monday
mornin' 'for I draw my pay

Ain't made no time
In this all night grill
Well I jumped in my Jimmy
and I popped a
few little white pills

Well a here I sit
All alone with a broken heart
Well I took three bennies
And now my semi truck
won't start
Woh
I've got a gal
Waits out in St Lou
I got a tall red headed mama
Up in Kalamazoo

Well she waits for me
'N I'm gonna be late
Cause it'll be about noon before I'm on my way

Well a here i sit

All alone with a broken heart
Well I took three bennies
And now my semi truck won't start
hey

Well a here I sit
All alone with a broken heart
Hey I took three bennies
And now my semi truck won't start
Brrrrrrrrrrrrrrrrrr

Thank ya thank ya thank ya
For every truck driver in the house tonight
Have mercy. have mercy
