Heads I Win, Tails You Lose

Ratt

Advisory - the following lyrics contain explicit language:

You're a fake, you're a snake
You're a sleazy operator
Always on the take
You're a liar, you're a cheat
You're good at startin' fires but
You can't take the heatYou're gonna get it now
(Get it now)
You're gonna get what's comin' to you
You won't forget it this time
(The tables turnin' round and now it's)Heads I win, with tails you lose
(Heads I win)
I may not be a Sherlock
But you ain't got a clue
Oh heads I win, with tails you lose
(Heads I win)
I may not be a doctor
But you're sick as a flu
Ooo wooYou're a user, you're a slime
You better look somewhere else
For someone else to climb
You're a loser, out of time
You'd send your Momma up the river
To make a lousy dimeYou're gonna get it now
(Get it now)
You're gonna get what's comin' to you
You won't forget it this time
(The tables turnin' round and now it's)Heads I win, with tails you lose
(Heads I win)
I may not be a Sherlock
But you ain't got a clue
Oh heads I win, with tails you lose
(Heads I win)

I may not be a doctor
But you're sick as a fluOh heads I win, with tails you lose
(Heads I win)
I may not be a surgeon
But I'll cut you right through
Oh heads I win, with tails you lose
(Heads I win)
I may not be a preacher
But it's hell you'll go toYou're gonna get it now
(Get it now)
You're gonna get what's comin' to you
You won't forget it this time
(The tables turnin' round and now it's)Heads I win, with tails you lose
(Heads I win)
I may not be a Sherlock
But you ain't got a clue
Oh heads I win, with tails you lose
(Heads I win)
I may not be a doctor
But you're sick as a fluOh heads I win, with tails you lose
(Heads I win)
I may not be a surgeon
But I'll cut you right through
Oh heads I win, with tails you lose
(Heads I win)
I may not be a preacher
But it's hell you'll go to
Heads I win
Oh heads I win, with tails you lose
(Heads I win)Oh heads I win, with tails you lose
(Heads I win)
I may not be a Sherlock
But you ain't got a clue
Oh heads I win, with tails you lose
(Heads I win)
I may not be a doctor
But you're sick as a flu
