Don't Wait

Addison Road

Today I lost a friend of mine
I never even got to say goodbye
I thought we had time to burn
But life is short, you only get one turnWhoa, gone before you know
Whoa, so make the mostWe're not indestructible
Our lives are unpredictable
It can turn on a dime so now is the time
Don't wait, don't wait, don't waitGotta live today, don't wait
You gotta live today, don't wait
Today, don't waitSo here I am wide awake
Blinded by a brand new day
Every breath given to me
Is a gift I want to redeemWhoa, the minutes they unwind
Whoa, so I gotta make the time'Cause we're not indestructible
Our lives are unpredictable
It can turn on a dime so now is the time
Don't wait, don't wait, don't waitWe're not indestructible
Our lives are unpredictable
It can turn on a dime, on a dime
Don't wait, don't wait, don't waitIn the blink of an eye
You snap and time goes by, time goes by
We'll wonder where it went
If we forget so don't forget, yeahWe're not indestructible
Our lives are unpredictable
It can turn on a dime so now is the time
Don't wait, don't wait, don't waitWe're not indestructible
Our lives are unpredictable
It can turn on a dime, on a dime
So don't wait, don't wait, don't waitGotta live today, you gotta live today
Don't wait, don't wait, don't wait
Don't wait, don't wait
You gotta live today
