# You Haven't Done Nothing

## Stevie Wonder

We are amazed but not amused
By all the things you say that you'll do
Though much concerned but not involved
With decisions that are made by you
But we are sick and tired of hearing your song
Telling how you are gonna change right from wrong
'Cause if you really want to hear our views
You haven't done nothin'
It's not too cool to be ridiculed
But you brought this upon yourself
The world is tired of pacifiers
We want the truth and nothing else, yeah
And we are sick and tired of hearing your song
Telling how you are gonna change right from wrong
'Cause if you really want to hear our views
You haven't done nothin'
Jackson 5 join along with me say
Doo doo wop, hey hey hey
Doo doo wop, wow wow wow
Doo doo wop
Doo doo wop, co co co
Doo doo wop, bum bum bum
Doo doo wop
We would not care to wake up to the nightmare
That's becoming real life
But when mislead who knows a person's mind
Can turn as cold as ice, un hum
Why do you keep on making us hear your song
Telling us how you are changing right from wrong
'Cause if you really want to hear our views
You haven't done nothin', yeah
Jackson 5 sing along again say
Doo doo wop
Doo doo wop, oh
Doo doo wop, bum bum bum
Doo doo wop, sing it baby
Doo doo wop, bum bum bum
Doo doo wop, bum bum bum
Doo doo wop

Sing it loud for your people say
Doo doo wop, um um um
Doo doo wop, stand up be counted, say
Doo doo wop, co co co
Doo doo wop, ow
Doo doo wop, bum bum bum
Doo doo wop, ah hum
Doo doo wop
Doo doo wop
Doo doo wop
Doo doo wop
Doo doo wop, oh yeah
Doo doo wop
