

# Blood for You

[GG Allin](#)

I'm so great, so everybody see  
Everyone of you should be looking up at me  
I'm your god, the one you'll never be  
I'm the best, so you better kiss my feet I'm God to everyone of you  
Jesus Christ who died in pain for you  
I'm life, I'm death, I'm the blood for you It's not easy being #1 in the world  
I'm a gift for the women and all of the little girls  
If your lucky enough to touch me, some day you'll see  
I'm superior to you and every human being I'm God to everyone of you  
Jesus Christ, died in pain for you  
I'm life, I'm death, I'm the blood for you I get high on myself, so get high on me  
Worship me, when you're down on your knees  
Think of me, me in all of your wettest dreams  
'Cause I'm the ruler, I'm the king, I'm the super sonic machine I'm God to everyone of you  
Jesus Christ who died in pain for you  
I'm life, I'm death, I'm the blood for you I'm God to everyone of you  
Jesus Christ who died in pain for you  
I'm life, I'm death, I'm the blood for you I'm God to everyone of you  
Jesus Christ who died in pain for you  
I'm life, I'm death, I'm the blood for you
