

# Amazing (Thin White Duke Dub)

Seal

Everyone says you're amazing Say you don't know how to do it now, so you run  
It's not that you're bleeding  
But you're through with it now, so you run, so you run  
I know that you need it, you can't live alone  
So you run, so you run Everyone says you're amazing now that you're clean  
But only you know the real ones are 'cause you've seen  
There's only one question I want to ask is it healing  
When you hear everyone say you're amazing  
Does anyone ask you? Do you cry in your sleep and do you feel okay  
When you run?  
Thinking it's Doomsday you got to let it go  
So you run, so you run  
Pretend you don't see it, that we can live a lie  
When you run, so you run Everyone says you're amazing now that you're clean  
Only you know the real ones are 'cause you've seen  
There's only one question I want to ask is it healing  
When, when you hear everyone say you're amazing  
Does anyone ask you? 'Cause I know that you're real  
Amazing, amazing, amazing Everyone says you're amazing now that you're clean  
Only you know the real ones are because you have seen  
There's only one question I want to ask is it healing  
When you hear, everyone says you're amazing Everyone says you're amazing  
(I want you to always feel you're amazing)  
Everyone says you're amazing  
(I want you to always feel you're amazing) I want you to always feel you're amazing  
You're amazing
