

# Happy

## Elf

Very very happy that you're so happy

Very very happy for you

Looking round every corner

I'm happy to see that you're happy Special situations, pleasant demonstrations

'Til the cat rolled out of the bag

You let me get my hopes too high

But now you're happy Crazy kind of feeling, hanging from the ceiling

With a bag tied over my head

You won't let the sun shine in

But now you're very very happy that you're so happy

Very very happy for you

Looking round every corner

Look, I'm glad you're happy Too much aggravation, time is kind of wasting

Got to get while I'm still alive

You're never gonna stop me now

But Lord you're very very happy, special situations

Very very happy, pleasant demonstration
