Escape From The A-Bomb House (Album Version)

Less Than Jake

Dear Mom and Dad,
I've been making plans
To leave this house and yes I'm sure
So lock the door, and turn the
Front porch lights outAfter all the endless fights
The who's been wrong and who's been right
We just never saw eye to eyeSo there's no need to apologize
Don't wait up, I'll be fine
If you could see inside my head
Maybe you could understand
That I'm better off
I'm better off goneDear Mom and Dad,
I've been making plans
To leave your house and yes I'm sure
That nothing's wrong, so just
Be strong on my way outAfter all the endless nights
The who's been wrong and who's been right
We just never saw eye to eyeSo there's no need to apologize
Don't wait up, I'll be fine
If you could see inside my head
Maybe you could understand
That I'm better off gone
I'm better off gone
'Cause we don't see eye to eye
