

# Warzone

## The Wanted

I can't believe I had to see  
The girl of my dreams cheating on me  
The pain you caused has left me dead inside  
I'm gonna make sure, you regret that night I feel you close, I feel you breathe  
And now it's like you're here  
You're haunting me  
You're out of line, you're out of sight  
You're the reason that we started this fight But I, I know  
I just gotta let it go  
I, I should've known  
I gotta learn to say goodbye now  
I throw my armor down  
And leave the battleground  
For the final time now  
I, I, I know  
I'm running from a warzone In our house, I hate that place  
Everywhere I walk I see your face  
Try to erase a memory with a flame  
And hope I never see you again  
Standing here, in this burning room  
You know the end could never come so soon It's clear to me  
The lies you use  
The ones that killed me ain't hurting you So I know  
I just gotta let it go  
I, I should've known  
I gotta learn to say goodbye now  
I throw my armor down  
And leave the battleground  
For the final time now  
I, I, I know  
I'm running from a warzone I'm running from a warzone  
I can't do this anymore  
I'm running from a warzone  
What are we fighting for? I'm running from a warzone I, I, I know  
I just gotta let it go  
I, I should've known  
I gotta learn to say goodbye now  
I throw my armor down  
And leave the battleground

For the final time now  
I, I, I know  
I'm running from a warzone
