

Blue Blue Sea

Mark Lanegan Band

Lord of fire in the sky
Getting level, neon devil
Holy holy in my mind
To abide and crucify
With blue blue sea
Far away
Gargoyle perched on gothic spire
Amplifier, getting higher
Who put Lucifer in harness?
All dishonored past discarded
And blue blue sea
Far away
Lord of fire in the sky
Getting level, neon devil
Holy holy in my mind
To abide and crucify
With blue blue sea
Far away
Gargoyle perched on gothic spire
Amplifier, getting higher
Who put Lucifer in harness?
All dishonored past discarded
And blue blue sea
Far away
